Aurelia Proctor Tuesday celebrated his eighty-first birthday at the home of his daughter, Mrs. Nanie E. Best, at Covington. Mr. Proctor was for many years the proprietor of the Maysville Marble Works, but recently retired. He was born in Mason county March 15th, 1829.

ONLY ONE "BEST!"

Maysville People Give Credit Where Credit is Due

People of Maysville who suffer with sick kidneys and bad backs want a kidney remedy that can be depended upon. The best is Doan's Kidney Pills, a medicine for the kidneys only, made from pure roots and herbs, and the only one that is backed by cures in Maysville. Here's Maysville testimony.

Mrs. Elmer Bridges, 206 West Third street, Maysville, Ky., says:

"I consider Doan's Kidney Pills to be an excellent kidney remedy and one that deserves a trial by anyone afflicted with disordered kidneys. I was subject to attacks of kidney complaint from childhood, and as I grew older the trouble became more severe. In my efforts to find relief I tried many remedies, but no benefit was obtained until I began using Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore. They proved to be just what I needed, going directly to the seat of my trouble and entirely relieving me. I always keep a supply of Doan's Kidney Pills on hand in case I have a return of the complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

CLOCKS and SILVERWARE!

We received recently a large shipment of Clocks direct from one of the largest factories in the East. As we purchased in large quantities and direct from the factory, we can make prices lower than anybody in this section of the State. Clocks are guaranteed to give perfect satisfaction and prices to be the lowest. We also have the largest line of SILVERWARE, both Sterling and Plated, the patterns newest and most exclusive—something different from most stores. Plated ware contains more silver than most plated ware and will wear twice as long. For anything in Diamonds, Watches, Cut Glass, Silverware and Clocks see us.

Secretary of War Dickinson is in favor of changing the present system of buying horses for the Army. He has suggested that the Department of Agriculture encourage the breeding of horses suitable for the Army and propose to buy directly from the breeders and cut out the contractors.

UP TO THE GOVERNOR  
Great Mass of Bills Before Him For Approval or Disapproval

FRANKFORT, Ky., March 16th.—Governor Willson has a real job on his hands. He must go through and either veto or approve a total of 149 bills, for that number of measures passed the two Houses of the General Assembly at the session just ended Tuesday. This does not include some fifteen resolutions which were passed by the two Houses and which had to be acted upon by the Governor.

The bulk of the bills, too, went to the Governor on the last day of the session so that he has about 125 or 130 bills which must be passed upon in the next ten days. This means that he must dispose of about an average of an even dozen a day in order to act on those that have been sent to him.

The total number of bills which passed the two Houses was 149, of which 71 originated in the Senate and 78 in the House. The Governor vetoed three bills, two of which were passed over his veto. These two bills were the Holland Negro School Bill and the Elder Tobacco Bill.

As long as there are men and women it will never be officially decided whether tobacco or corsets are most injurious to health.

Mr. and Mrs. Benjamin Umstadtd have presented a building site to the Ewing Christian Church and an effort will be made to raise \$4,000 or \$5,000 for a new Church.

Sunday morning dogs killed thirteen sheep for A. O. Ralls, who lives near Flemingsburg on the Lanier farm, and crippled nine more. Mr. Ralls estimates his loss at \$157.50.

Some one asks the question: "Do dogs pay?" Not to any great extent. We have had a few on our subscription list, but we are getting rid of them as fast as we can. He does not pay the newspaper or the Preacher—the dog don't.

Mrs. William Haven and Mr. Horace Porter, son and daughter, Mr. James and Miss Mamie Porter of Mt. Sterling, and Mrs. W. B. Baber of Paris were here yesterday in attendance upon the funeral of the late Hiram Bassett Porter.

Bishop Cortland Whitehead of Pittsburgh said recently: "I would advise you all to do without the newspapers during the Lenten period, and to replace their scandals and masses of ill-assorted information with more edifying works."

Colonel James P. Allen, born in Fleming county in 1848, died of paralysis Tuesday at his home in Lexington. He was married twice, the first time to a Miss Ware of Fleming county, and the second to a Miss Darnall. The remains will be interred at Elizaville today.

50% OF THE POPULATION OF THE U. S. live in rural districts remote from physicians or drugstores, and they are obliged to depend upon proprietary medicines to a very great extent.

To the women in these homes such standard remedies as Lydia E. Pinkham's Vegetable Compound come as a boon and a blessing. Records show that it has cured more women of these dread feminine ills than any other remedy.

Mr. and Mrs. Elmer Downing of the Washington neighborhood are receiving congratulations over the arrival of a son Tuesday at their home.

LAND DEAL.

It is said that Dr. Henry of Paris has sold 21 acres of land South of Oklahoma to a Huntington syndicate for \$3,000 cash and that the company will put it on the market.

BUSHWHACK BEHIND THE BARS

Policeman Bruce Crawford yesterday arrested "Bushwhack" Williams, who is charged with the heinous offense of assaulting his aged parents a few days ago in the East End. He will be tried before Judge Whitaker.

HENNESSEY SUES C. and O.

For Blocking Maysville Crossings and For Fast Running of Trains

Commonwealth's Attorney Hennessey yesterday filed nine actions in the Mason Circuit Court against the C. and O. Railway Company for blocking the street and alley crossings in Maysville and for fast running of its trains through this city.

Similar suits were won in Bracken county for the same offense in the city of Augusta.

Danderine

GROWS HAIR and we can PROVE IT!

A lady from Minnesota writes: "As a result of using Danderine, my hair is close in five feet in length."

Beautiful Hair at Small Cost

HAIR troubles, like many other diseases, have been wrongly diagnosed and altogether misunderstood. The hair itself is not the thing to be treated, for the reason that it is simply a product of the scalp and wholly dependent upon its action. The scalp is the very soil in which the hair is produced, nurtured and grown, and it alone should receive the attention if results are to be expected. It would do no earthly good to treat the stem of a plant with a view of making it grow and become more beautiful—the soil in which the plant grows must be attended to. Therefore, the scalp in which the hair grows must receive the attention if you are to expect it to grow and become more beautiful.

Loss of hair is caused by the scalp drying up, or losing its supply of moisture or nutriment, when baldness occurs the scalp has simply lost all its nourishment, leaving nothing for the hair to feed upon (a plant or even a tree would die under similar conditions).

The natural thing to do in either case is to feed and replenish the soil or scalp as the case may be, and your hair will grow and multiply as nature intended it should.

Knowlton's Danderine has a most wonderful effect upon the hair glands and tissues of the scalp. It is the only remedy for the hair ever discovered that is similar to the natural hair foods or liquids of the scalp.

It penetrates the pores quickly and the hair soon shows the effects of its wonderfully exhilarating and life-producing qualities.

One 5-cent bottle is enough to convince you of its great worth as a hair growing and hair beautifying remedy. Try it and see for yourself.

NOW at all druggists in three sizes, 25c, 50c and \$1.00 per bottle.

EAST LIMESTONE.

The farmers are very busy with all kinds of farm work.

Mr. Samuel Yazell remains quite ill at his home, suffering with inflammatory rheumatism.

The Summitt school will close Friday, after a successful term taught by Miss Lura Crosby.

Mrs. J. J. Ingram was the guest of her sister, Mrs. James Brewer of Bracken county, recently.

Mrs. Abraham Craycraft and family left last week for Muscatine, Iowa, where they expect to make their future home.

Anna D. Williams has accepted an invitation to render a recitation at the Pleasant Hill Easter exercises at 2 p. m. March 27th.

Mrs. Cyrus Case of this place, and cousin, Miss Elma Parker of Orangeburg, attended church services at Lewisburg Sunday morning.

Rev. Brown failed to fill his appointment at the Stonelick Church Sunday, morning and evening, on account of the serious illness of his wife.

Mrs. Thomas R. Stevens of Summitt was called to the bedside of her mother one day last week, who is ill at the home of her daughter in Pendleton county.

Mr. Hayden Sellars has sold his farm to the Keystone Commercial Company and will shortly, with his motherless little family, remove to Clay county, Missouri, where they will make their future home. Mr. Sellars' leave-taking is regretted, as he was an ardent advocate of the new proposed pike movement leading to the progress and general uplifting of this portion of the county, but it is ardently hoped that the purchasers of the farm will be as enthusiastic and progressive as his predecessor.

News has reached Augusta of the death at Springfield, Ill., of Edward Mulcahy. Deceased was a former resident of Augusta, where two of his children now reside. He disappeared and was not heard of by his relatives for twenty years. He went to Illinois, married, became Superintendent of the Sangamon County Jail, and had been with the institution the past twelve years. On February 11th, 1910, Mulcahy's wife died, and two days later he died, both being buried in the same grave. The daughters in Augusta sent Attorney Hargett to Illinois to ascertain the amount of an estate he left, and found \$5,000 in personal property, which will go to the children of his first marriage, as none were born to the second union.

Beware of Quackery For Catarrh That Contains Mercury.

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

### Ripley News.

From The Bee.

Ripley is overrun with worthless dogs.

Mrs. T. S. Thomson and Mrs. Walter Magruder will return here to spend the summer.

Mr. and Mrs. A. H. Shinkle of Maysville were the guests of her mother, Mrs. Ella McCaughey, over Sunday.

Silas Caball and brothers, Pete and Oscar, raised 22,000 pounds of tobacco last year, which they sold at 15 1/2 cents.

Mr. Alfred Monroe brought to our office last Thursday an old English Grammar that was printed in 1835. He found it while tearing down an old house.

Mr. Riley Davis of near Macon delivered his tobacco to the American Company here Wednesday. He raised but 1 1/2 acres last year, but it brought him \$400 net.

Mr. Fred Groh died at midnight Saturday, March 12th, at his home on Howard's Hill, from rheumatism, after an illness of about a year. He would have been 80 years of age April 8th.

The Harrodsburg Herald says that an examination of the fruit buds shows that nearly all the peaches and most of the cherries were killed by the cold weather in January.

Runk Ramm, who owns thirty-eight houses in Danville and is probably the richest Negro in Central Kentucky, has been fined \$2,750 and given 330 days in the workhouse at hard labor for bootlegging. There are still fifteen more cases against him.

At the close of the month of September the half-way mark had been reached in the huge job of excavation at the Panama canal. By that time 87,172,058 cubic yards, or about one-half of the total excavation, had been removed. The grand total for September was 2,836,385 cubic yards, which is 1,043,952 cubic yards less than the highest record, which was made in March, 1909.

At Home.

## In Bad Fix

"I had a mishap at the age of 41, which left me in bad fix," writes Mrs. Georgia Usher, of Conyers, Ga.

"I was unconscious for three days, and after that I would have fainting spells, dizziness, nervousness, sick headache, heart palpitation and many strange feelings.

"I suffered greatly with ailments due to the change of life and had 3 doctors, but they did no good, so I concluded to try Cardui.

"Since taking Cardui, I am so much better and can do all my housework."

# Take CARDUI

J 41

The Woman's Tonic

Do not allow yourself to get into a bad fix. You might get in so bad you would find it hard to get out.

Better take Cardui while there is time, while you are still in moderately good health, just to conserve your strength and keep you in tip top condition.

In this way your troubles, whatever they are, will gradually grow smaller instead of larger—you will be on the up-grade instead of the down—and by and bye you will arrive at the north pole of perfect health.

be even better than when it was first put  
away. A very excellent quality of Brazilian  
coffee such as the merchants usually sell for  
twenty-five cents a pound can be bought for  
seven cents."

More farmers to the land is what is wanted  
rather than more land to the farmer. There  
are very few, if indeed there are any, farmers  
who begin to get the income from their land

## FIVE STYLES OF STOCKINGS AT 50c A PAIR

A woman may like a thin lisle stocking, but she  
certainly does not approve of holes in the top of the  
stocking the first day she wears them. We protect our  
black and tan gauge lisle thread hosiery with garter-proof  
tops; the foot is also taken care of by high-splined heels  
and extra double toes.

Black cotton, a light weight, treated much the  
same way, with extra double top and spliced selvage to  
prevent any holes there if possible.

Medium-weight black cotton—people always ask  
us for them at this time of year—just warm enough to be  
comfortable.

Then a special stocking at this 50c price is gauge  
or light-weight lisle thread, with a trunk top. This  
trunk top is for women who have been wearing extra-size  
stockings, but really do not require extra size below the  
knee. Trunk tops are larger at the top in proportion to  
below the knee, and as they are strongly reinforced they  
should be durable as well as fit better.

WANTS RECEIVER APPOINTED

Walter Matthews and Others Seek to Enforce Judgment Against Maysville Telephone Company

Yesterday, through their attorneys, Worthington, Cochran & Browning, Walter Matthews, S. H. Mitchell, J. W. Chambers, Edwin Matthews and the First National Bank of Maysville filed a voluminous petition in the Mason Circuit Court praying that a Receiver be appointed to take charge of all the properties of the Maysville Telephone Company, together with all the branch lines of the Company, and to enforce the individual judgment of the plaintiffs, rendered in the Mason Circuit Court last year against said defendants, amounting in the aggregate to about \$30,000.

The suit is a most important one, and seeks a direct sale of the Company's franchise and entire belongings to satisfy the big judgment of the plaintiffs, who were formerly in control.

NATURE SPARES

The Stricken Rose From Grief.

What a fortunate provision of nature it is, that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of healing remedies, for those who seek her aid. In the year gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
